Water Law and Regulation Seminar

The attorneys at Smith Hartvigsen, PLLC are participating in a seminar on Utah water law and regulation. This seminar will be held on Friday, March 22, 2013, at the Sheraton City Centre located at 150 West 500 South, Salt Lake City, Utah. There are eight reasons to attend this seminar:

- You'll receive an introduction to Utah water law.
- You'll examine the elements of a water right.
- You'll learn to quantify water rights under the supplemental group system.
- You'll learn about preserving title to water rights.
- You'll discuss ethical issues in water litigation.
- You'll learn about regulations applicable to hydraulic fracking.
- You'll review state and federal water quality regulations.
- You'll discuss water quality and reuse law and regulation.

This seminar is open to the public and offers 7.0 continuing education credits for attorneys, engineers, and landmen.
